

Instructions for authors

The authors must send their manuscripts electronically as a word file to the following email address: review@chalcogen.ro

Before you submit a paper please read the Journal Scope and Instructions for authors. Your paper must be in the research area described at the Journal Scope for it to be accepted for reviewing. Your article must respect the Article template and must be edited as requested.

Plagiarism is not acceptable in this journal. Please read the Ethics and plagiarism and make sure your manuscript does comply with our standards.

You must also fill out the Copyright statement and send it to us if your article will be accepted.

ATTENTION, CORRESPONDING AUTHORS!

When you submit a paper to Chalcogenide Letters, please send attached file the following information:

1. Does the present submission represent original work?
2. Is the present work being considered for publication elsewhere in any other form ?
3. Is some part of the present work published elsewhere? If so, provide details.
4. Are all co-authors aware of this submission?
5. Have all co-authors contributed to this work?
6. Full name
7. Affiliation
8. Signature

The Managing Editor will send every manuscript to minimum one reviewer for a critical examination. The members of the Editorial Board may serve as reviewers.

The report(s) of the reviewer(s) and the decision of the Editor regarding the publication will be sent to the corresponding authors.

The manuscript accepted for publication will be published in the current issue of Chalcogenide Lett. after the acceptance date.

All rights are reserved by Chalcogenide Lett.. The publication, reproduction or dissemination of the published paper is permitted only by written consent of one of the Managing Editors.
