

Copyright Transfer Statement

Me _____,
corresponding author of the paper entitled: _____

by Mrs/Mr _____

I declare and undersign that this paper is an original and common work of all the authors. I also declare and warrant that my contribution to this paper does not infringe on any copyright or other propriety right of others.

The paper as a whole or part of it has been not published or submitted to other Journal.

I hereby unconditionally, irrevocably and perpetually transfer the exclusive economic right to publish the paper - including the right to reproduce, distribute, publicly communicate and archive the paper (reprints, in electronic form).

Such rights are transferred to and will be owned by Virtual Company of Physics S.R.L., a company duly registered with Bucharest Trade Registry under no. J40/3255/2013, sole identification number RO 31356688 (Virtual Company of Physics S.R.L. collects the publication taxes in the name and on behalf of Virtual Institute of Physics).

The undersigned authors give permission to Virtual Company of Physics S.R.L. to edit and publish the paper in "Journal of Ovonic Research" on the website

<http://www.chalcogen.ro/index.php/journals/journal-of-ovonic-research>

The transfer of the rights is effective if and when the paper is accepted for publication.

The author(s) retain(s) the right to use the paper for their further scientific career, but with no prejudice to Virtual Company of Physics S.R.L. which initially published the paper.

This statement must be signed by all authors of the paper as listed below.
